1ST MINI ALBUM – THE DREAM CHAPTER: STAR

TOMORROW X TOGETHER delivers their story through 'The Dream Chapter'.

As they transition from childhood to adolescence, the boys have gathered together under ONE DREAM. For TOMORROW X TOGETHER, star is another name for dream: the emotions swelling up inside as you look up at the starry night sky, the growing excitement about tomorrow – chasing the stars mean you are remembering your childhood dreams. 'The Dream Chapter' will unfold the stories of what they encountered as they grew.

A compilation of 5 tracks in total, the album 'The Dream Chapter: STAR' sings out TOMORROW X TOGETHER's "happiness and excitement of meeting that special someone." The boys' story opens with 'Blue Orangeade', and closes with 'Nap of a star', narrating how together they make things possible that was impossible alone.

1ST FULL-LENGTH ALBUM – THE DREAM CHAPTER: MAGIC

TOMORROW X TOGETHER unfolds their story of growth and encounters in this new journey through the album concept The Dream Chapter. While The Dream Chapter: STAR expressed the "happiness and excitement of meeting that special someone", The Dream Chapter: MAGIC tells the story of "magical adventures" that boys encounter together with their friends who are different, yet alike. Through this adventure, the boys share their transformation, confusion and exploding emotions that arise during their transition to adolescence.

The album includes 8 tracks: "New Rules" that talks about the desire of wanting to create their own rules of the world, the lead single "9 and Three Quarters (Run Away)", "Roller Coaster" which depicts the fearful but also an exciting moment like a rollercoaster ride, and "Angel Or Devil" singing about the two inner voices fighting endlessly.

2ND MINI ALBUM – THE DREAM CHAPTER: ETERNITY

With ten “New Artist” awards already under its belt, TOMORROW X TOGETHER will release its second EP album on May 18.

“Dream Chapter: ETERNITY”, following their debut album “Dream Chapter: STAR” and their first full-length album “Dream Chapter: MAGIC” tells the story of young boys’ experiences meeting friends who are different yet alike. While they struggle with reality and rifts sometimes appear among them, the narrative encapsulates their hope that their time together will last eternally.

There are six tracks in the album including the opening track “Drama”; title track “Can’t You See Me?”; a remake of “Fairy of Shampoo”; first song written by the five members, “Maze in the Mirror”; “PUMA” with unique lyrics; and “Eternally” that exudes an experimental vibe.

Having further cemented their position as ‘Leaders of K-pop’s 4th Generation’ and voices of the global teen experience, TOMORROW X TOGETHER make their return with their second studio album The Chaos Chapter: FREEZE, armed with great charm, musicality, and color.

The new ‘Chaos Chapter’ begins where dreams have been swept away by the towering presence of the real world. Worldly events like the COVID-19 pandemic are violent assailants that crash upon the boy’s once peaceful life. As his world crumbles away, the boy feels insignificant, empty, and frozen. It isn’t until ‘you’ appear before him that he begins to see more. With ‘you,’ he experiences love and believes, unequivocally, that ‘you’ are his real and only world.

REPACKAGE ALBUM – THE CHAOS CHAPTER: FIGHT OR ESCAPE

K-pop’s ‘It’ Band of 2021 TOMORROW X TOGETHER continue their reign with The Chaos Chapter: FIGHT OR ESCAPE, their repackaged second studio album.

The ‘Chaos Chapter’ depicts a world in which dreams have been swept away to be replaced by the towering presence of reality. As the world he once knew crumbles away, the boy feels small, insignificant, empty, and frozen. But ‘you’ awaken the emotion of ‘love’ inside of him, and the boy now seeks to step out beyond the freeze. For ‘you,’ he wants to make a choice: to FIGHT against the world or to ESCAPE together with you.

The Chaos Chapter: FIGHT OR ESCAPE consists of eleven tracks total, eight of which were previously released through The Chaos Chapter: FREEZE.
